N/A = Not Applicable

Note 1 - Warranty coverage is for recreational use only. There is no warranty for racing/competitive activity

Note 2 - Corrosion warranty not applicable to government or commercial applications

Note 3 - Warranty period is determined by whichever occurs first (time period or operating hours) & only applies to Light Duty applications

Note 4 - Includes batteries, cowl covers, Simrad systems, Seastar & Optimus systems

Note 5 - SeaPro model enhancements for commercial applications will result in performance and NVH variations compared to standard models

IMPORTANT - Products more than 6 years old from date of manufacture at time of sale are excluded from warranty coverage

Light Duty Commercial Application Definition

- Full power limited to one (1) hour out of every eight (8) hours of operation
- Reduced power must be at or below cruise speed
- Operating hours per year not to exceed guidelines listed
- Light Duty Commercial Application approval must be given to be eligible for Warranty
