

# 60 & 40hp SeaPro FourStroke Engines

- ✓ **Reliable**
- ✓ **Durable**
- ✓ **Hardworking**

## Complete Commercial Engine Package

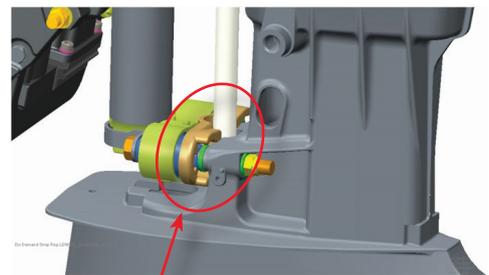

60 & 40 SeaPro FourStroke engines come complete with:

- ✓ A pictorial maintenance decal and owner's manual supplement for the 60 and 40hp SeaPro FourStroke engines which make simple service and maintenance even easier by providing step-by-step instructions.
- ✓ The Mercury Big Tiller, which gives commercial operators a longer, more durable tiller handle with integrated shift, trim, and throttle that is easy to reach and use.
- ✓ A water separating fuel filter and SC1000 SystemTach.
- ✓ The 60 & 40 SeaPro FourStroke come standard with the Command Thrust gearcase.

## Increased Durability

- ✓ The upper and lower mount snubbers on the 60 and 40hp SeaPro FourStroke engines have been redesigned to be fitted with new thicker snubbers, increasing durability.
- ✓ 60 and 40hp SeaPro FourStroke engines come standard with an anodized driveshaft housing – decreasing the opportunity for corrosion throughout a vital section of the engine.
- ✓ Upgraded stainless steel mount bolts offer increased corrosion protection and increased durability in commercial applications.
- ✓ The 60 and 40hp SeaPro FourStroke engines come standard with an extended-life fuel pump, improving durability of the engine and ensuring the engine is ready to run when you need it.

New lower mount snubber and hard washer

## Commercial Calibration

Engineered to deliver longer engine life while maintaining the power and performance necessary to get the job done, the 60 and 40hp SeaPro FourStroke engines are validated to three times the engine life of a recreational engine.

## Added Protection

The 60 and 40hp SeaPro FourStroke engines' flywheel magnet retainer helps to prevent magnet damage, increasing durability and reliability.

## Specifications

HP / kW	60 / 45	40 / 30
Max RPM at Full Throttle	4500 - 5500	
Engine Type	8-valve single overhead cam (SOHC) Inline 4	
Displacement (litres)	0.995	
Bore & Stroke (inch. / mm)	2.56 x 2.95 / 65 x 75	
Air Induction	Performance-Tuned Scroll Intake Manifold	
Fuel System	Computer Controlled Multi-Port Electronic Fuel Injection (EFI)	
Fuel Requirements	Unleaded Regular 87 Octane Minimum (R+M/2) or 90 RON 10% Ethanol Maximum	
Ignition System	SmartCraft ECM 07 Digital Inductive	
Starting	Electric (turn-key)	
Exhaust System	Through prop	
Cooling System	Water-cooled with thermostat	
Lubrication System	Wet sump	
Recommended Oil	NMMA Certified FCW SAE 25W-40	
Oil Capacity (litres)	2.8	
Controls	Mechanical throttle & shift	
Engine Protection System	SmartCraft Engine Guardian	
Gear Ratio	2.33:1	
Shaft Lengths	20" / 508 mm 22.5" / 572 mm 25" / 635 mm	
Trim system	Gas Assist available Power Tilt Power Trim	
Steering System	Big Tiller Compatible Hydraulic Mechanical	
Dry Weight *Lightest Model	260 lbs / 118 kg	

## Ease of Maintenance

The SeaPro FourStroke engines include a gearcase oil drain located in the torpedo to simplify maintenance. Gearcase oil changes can now be completed without having to remove the boat from the water.

## Improved Performance

A stainless steel thermostat comes standard on the 40 & 60hp SeaPro FourStroke engines, improving performance and life in harsh saltwater environments.
