## CONFIDENCE IS PRICELESS

### NO THIRD PARTY

The Contract is between you and Mercury Marine. Covered parts and labor are paid directly to the service dealer – no need to pay first and wait weeks for reimbursement.

### OUR HELP

With more than 3,600 Authorized Mercury Dealers in the United States and Canada, help is never far away. Only genuine Quicksilver and Mercury Precision Parts are used on repairs.

### OUR PARTS

Mercury Product Protection Platinum provides component coverage – including labor – for breakdown failures caused by a defect in material or workmanship with a \$50 deductible per claim.

### PROTECT THE WHOLE FAMILY

Eight years of combined coverage (limited warranty and extended service) is available on eligible product. Coverage is not to exceed four years on MotorGuide products.

### TAKE YOUR TIME

The standard purchase period for the plan is within 12 months of the original registration date. Our plan starts when the Mercury Marine Limited Warranty ends.

### OUR PROMISE

Platinum Plan provides up to \$200 toward hoist/haul out on all boats 26 ft or longer in addition to up to \$200 for on the water tow-in fees for approved repairs on covered product.

### PASS IT ON

Coverage remains with the product and can be transferred to subsequent owners.

This rate chart is an outline for our service contract, and is intended for general information purposes only. Please refer to the Plan Benefits and Provisions for a full description of the contract.
