

Plus-Series

4.3L Alpha 4V EST

225HP

At 225hp, the 4.3L Alpha 4V EST is a superior choice for repowering 18- to 20-foot runabouts. With its four-barrel carburetor and dual-plane intake manifold, this V6 engine delivers more power and better fuel economy than comparable 4.3L and 5.0L V8 engines. That's a performance upgrade any boater can appreciate.

- Four-barrel carbureted power
- Serpentine belt drive
- 1-year limited warranty
